2. Applications for supplementary licences should be made by units engaged in priority industries through the sponsoring authorities to the licensing office concerned from where the initial licence under liberalised scheme was issued to the applicant for the period April, 1966-March, 1967. Such applications should be made after effecting shipment or making commitment against the initial licence/licences as indicated below :—

licence for each mode of payment. However, even in the case of a separate application, the information to be given as per Annexures I & II to this Public Notice should be in respect of all the licences issued to the applicant for iron and steel and ferro-alloys for the period April, 1966-March, 1967. Applications will be considered for import of items for which the applicant has received an initial licence for the period April, 1966-March, 1967, provided such items have not been subsequently banned. In the case of non-SSI Units the sponsoring authorities may also recommend other permissible items for which a unit might not have been recommended for the initial licence.
